TO : Management Officer, CIA

DATE:

FROM : Deputy Assistant Director, ORE

SUBJECT: Request Revision in Reorganization of Map Library Branch, Map Division, ORE.

REFERENCE : Memo to Executive, CIA, dated 26 September 1949, Subj: Reorganization of Map Library Branch, Map Division, ORE.

1. It is requested that an additional P-3 Geographer-Librarian position be established in the Procurement Section in lieu of a P-2 Librarian position in the Processing Section for the T/O of the Map Library Branch of the Map Division.

2. The Chief of the Map Division states that the workload of the Procurement Section, already severe, is being increased by augmentation of field collection activities. To maintain operations on a current basis, the transfer of a position from a less critical component of the Map Library Branch is recommended as a corrective measure.
